They Do Not Fight Alone

Our purchase of Victory Bonds does not line us up as an active participant with the Canadian in battle dress in the grim battle being waged in Europe. We cannot fool ourselves on this point. For there is little or no sacrifice here in Canada that can be related even remotely to the hazardous life or death work in which our boys are engaged overseas.

Yet the purchase of Victory Bonds is vital to the well-being of our men in battle for two reasons. First the cash we thus provide maintains the flow of necessary material to the fighting forces. Secondly, and perhaps more important, the enthusiastic support which Canadians at home give to a Victory Loan informs the boys overseas better than any other method we have at our command that the hearts and minds of the overwhelming majority of folks back home are with them.

Poison Gophers Now

Farmers of Alberta suffer heavy losses each year from damage by the common gopher. Although most farmers recognize this and take steps to avoid loss, many fail to use gopher poison at all, or use it too late for the best results.

Gophers should be poisoned in April if at all possible, advises J. L. Eaglesham, Supervisor of pest control. Whether a prepared poison or a homemade formula is used it should be made use of now for best results. Gophers have recently emerged from their winter quarters, and within a month each female will have a family of six or eight offspring. If poisoning is delayed until that time much more control work will be required.

It will be found that gophers take poisoned grain much more readily now than later when more green vegetation is available. In order to save both time and material the wise farmer will commence control operations without delay.

Fishing Season Opens May 1st

Anglers north of this district are going to have a month more than usual to indulge in the favorite sport while the southern fishermen will have to be content with the usual season, set back two weeks, according to newly-passed amendments to the Alberta Fish and Game Act.

L. W. Shaw, fisheries inspector, announced recently that the two new amendments will allow rod and line enthusiasts to fish on the Red Deer and North Saskatchewan rivers from May 1 to September 30 inclusive, 30 days longer than last year, when the opening date was May 16 and closing September 16.

Southern anglers are not so fortunate. The season remains the same length as last year, but the opening date has been set back two weeks till June 16, and closing day will be October 31. This applies to the Bow and Southern Alberta streams.

Russell Ady, Charlie Mortimer and other local fishermen are not pleased with the change. They claim that worm fishermen from Calgary will have the streams fished out before fly fishing gets good.

The Victory Loan Campaign.

In the first two days of the 6th Victory Loan Campaign the Didsbury District had attained 22 1/2% of their quota with \$17,450.00 subscribers.

The salesmen are now working in the country and are making a house to house canvass. It is expected of every adult person to buy Bond.

While our quota is \$79,000.00 which is the same as last year, there is every reason, considering the increase of income in this district, to expect that this should be exceeded by at least 25%.

Victory Bond may also be purchased from Mr. C. E. Reiber at the loan headquarters, or at the Royal Bank.

"PUT VICTORY FIRST"

Ottawa, Ont., April 25th.

The cumulative total for two days canvass since opening of present Victory Loan \$31,275,000 with Tuesday's total \$56,999,850; down about two million dollars for same day in fifth loan.

Victory Loan Parade.

Arrangements are being made by the Army Tank Regt. and the Air Cadets to put on a Victory Loan Parade and Rally on Saturday evening.

The parade will start at the school at 8:45 p.m. and proceed to the C.P.R. Grounds where a rally will be held.

Leaving-Ones Honored

On Tuesday evening, April 25, about 75 friends gathered at the Bible School in honor of Rev. and Mrs. Carl Lehman and Miss Viola Hays, who are leaving next week for Ontario. A happy time was spent in playing games and in listening to musical selections from the male quartette and other local young people.

On behalf of the M.B.C. church, Rev. C. J. Hallman spoke a few words of appreciation of Rev. and Mrs. Lehman's ministry in the Conference. Miss Gladys Eby made an appropriate presentation speech, after which the honored ones were presented with suitable gifts, by which we hope they will remember us "in the west".

Mr. Lehman came to Didsbury from Ontario about 8 years ago and for four winters attended Bible School here. In 1940 he married Miss Lila Swain, and for nearly a year after they did pastoral work at a Big Valley. During the past three years they have worked faithfully on the Sundre charge. They are looking forward to doing mission work at St. Catharines, Ont.

Miss Bayly graduated from the Bible School this spring, and is now planning on going to Toronto, where this fall she hopes to attend the Missionary Medical Institute, which offers a short medical course for prospective missionaries. After that, as soon as the way opens, she intends to go to Africa as a missionary.

We wish these three young people God's richest blessing as they leave our midst.

Free X-Ray Clinic

The final details with regard to the travelling Clinic of the Alberta Tuberculosis Association have been made by the local committee.

The Mobile Unit will be in Didsbury from the morning of May 15 to noon of May 17, and will be at the office of the Rosebud Health Unit.

Cards will be mailed to those who have registered, stating the date and time they are expected to attend.

As over 600 have registered, it will require a regular flow of subjects to get through the work during the time allotted, and everyone attending is asked to be present at least five minutes before the time stated on the card.

The time allotted for the general public is from 10:30 a.m. to 12 noon, and from 2 to 5 p.m. From 9 to 10:30 a.m. is reserved for the children of the Didsbury schools.

Dressing rooms for both men and women will be provided, and as 13 pictures can be taken every 15 minutes, there need be no delay if everyone can be there on schedule.

Didsbury Jottings

By A.C.H.

The Junior Ladies Aid met at the home of Mrs. A. W. Haley on Monday, April 24. The Rev. B. Whyte Smith gave a philosophical talk on the art of living happily. This included appreciation of all the beauties around us, and being of service to our community. Well, there's no better time to start, either, than in the Springtime.

Mrs. Nelson, who is leaving to live in Calgary, was presented with a cup and saucer. Plans were made to hold a tea on Saturday, May 13.

Mamma has had her pistol packed away for quite a while now, and it seems to us people are taking advantage of it. There's that hill-billy on the radio who keeps running short of ammunition. "It's the biscuits, Mirandy", he chortles, with murderous intent. And what is the government's latest slogan? "Food as a Weapon", and all this, when we thought that pistol was laid away for good.

We will admit we are far from food perfect, ourself. Last week we burned our curried rice. That was the day we "took out our curry with the singe on the top".

Phone 46 or 17, and your donations for the rummage sale, at Knox United Church on Saturday, will be called for.

Propose New Golf Course

At the annual meeting of the Golf Club, which was held on Monday evening, the proposal to establish a new golf club was discussed.

The proposal is to purchase a tract of land adjoining the Butte on which, together with part of the exhibition grounds, to build a nine-hole course. It is an excellent location and a sports course can be built.

A committee was appointed to look into the proposal.

The following officers were appointed for the ensuing year:

President: R. Eubank
1st Vice-Pres.: S. Krueger
2nd Vice-Pres.: Dr. Summers
Sec.-Treas.: George Law
Finance Committee: Ed Watin, R. Eubank, J. W. Wordie
Grounds Com.: R. Eubank, S. Krueger, F. Kaufman.

The committee has made arrangements to purchase about five acres of land east of the Butte, which will be seeded to grass and beautified by the planting of trees. From there the course will be laid over the Butte to west of the race track. That portion of the grounds will also be seeded to grass.

The project, carried out as now outlined will be a decided improvement to the surroundings at the Butte. We understand the committee is looking for financial support and we hope they will meet with success.

Evangelical Church Notes

"The motive test" will be the theme on Sunday morning at 10:30. In all our actions, we should work for the approval of God, and not of men.

The young people will have charge of the evening service, when Mr. S. Hooper will speak.

The World of Wheat by H. G. L. Strange

THE WAR NOT YET WON

This war is far from won, no matter what some may say. In the spring of 1918 the odds were heavily in favor of the Germans winning the last war, and yet by November the Germans were beaten.

Wars are won with great difficulty but can easily and quickly be lost. Wars have often been lost from the lack of a few extra men, some extra equipment, munitions or guns. The only assurance of victory is to have more men, more and better weapons and equipment than the enemy.

Then, too, with my own eyes I have seen young men killed in battle because they did not have at hand sufficient munitions.

To train, equip and transport manpower, to manufacture munitions and to make them available to fighting men costs money and lots of it. The Government depends on the sale of Victory Bonds for a considerable part of the money it needs.

As I see it, it is not a mere privilege that we have to buy Victory Bonds, it is a sheer undeniable high duty and responsibility we must assume in order to supply the Government with sufficient money to prevent unnecessary loss of life, and to ensure the winning of battles and of the war. Only by winning the war can we escape being enslaved by our enemies. Only by winning the war can we be assured of a free and bright future for ourselves and our children.

Of This and That

This column is now nearly four years old. Writing it is something like speaking over the radio, in that the audience is unseen and unknown. There is no heckling, but neither is there any applause! Of course, we are often obliged to deal with disagreeable subjects such as diseases, weeds, soil erosion, etc. When this department, now known as Line Elevator Farm Service, was organized, we were told to make ourselves useful to farmers. This we have endeavored to do, and, judging from the demands made upon our services and publications, our efforts have not been in vain. In case this issue self-satisfied, we confess disappointment in the response to our seed identification service. Last year, about 500 specimens were sent in by Line Elevator agents for their farmer's sons. This is not enough. It would not be so disappointing if provincial departments of agriculture and experimental farms were kept busy naming seeds, but they are not.

No farmer can plan weed control measures intelligently unless he knows the weeds. Many farmers have become involved in very heavy expense because an unidentified perennial such as leafy spurge, sown a solid foothold before it was recognized. Then the state horticulturist's attention. It is not much trouble to take specimens to Line Elevator agent, and the identification is accurate because the agent in doubt we appeal to the Division of Botany, Ottawa. If you prefer to send directly to a government department, by all means do so. But send unknown weeds to us.

Volunteers are Thanked

In a letter to Local Ration Boards in Canada, Donald Gordon, Prices Board chairman, thanked volunteer helpers who distributed nearly 12,000,000 ration books across the Dominion during Ration Book Week.

Wrote Mr. Gordon: "Distribution of ration books is a colourless, sometimes thankless job. We of the Board do thank you. We are proud of your accomplishment. Congratulations on a job well done."

Traffic in Loose Coupons Illegal

Casual exchanges of rationed commodities are now permitted by the Wartime Prices & Trade Board, but this does not allow persons to detach unused coupons from their ration books and give them to their friends. It is against the law to traffic in loose ration coupons. No one is entitled to accept a loose ration coupon, either a consumer or a retailer, Board officials emphasize.

Notes From the West.

Sgt. and Mrs. E. Lawrie held open house on Sunday, it being their 25th wedding anniversary, when neighbors and friends called to offer their congratulations. The guests of honor received some beautiful silver gifts, among which was a set of knives, forks and spoons, from their daughters. A turkey supper was served by the Misses Lawrie, with a dainty wedding cake as a centerpiece, after which the guests dispersed with many good wishes for the bride and groom of 25 years.

Mrs. M. Campbell entertained on Wednesday afternoon last, at a kitchen shower in honor of Mrs. Bob Hutchinson (nee Barbara Byrt). The guest of honor was the recipient of a beautiful lot of white and red enamelware, also a beautiful quilt, given by Mrs. Campbell and quilted by the guests. After the presents were opened, the hostess served a very dainty lunch.

Mr. and Mrs. F. Byrt of Madden, visited the latter's parents on Sunday.

Lt./Cpl. Isabel Lawrie, Calgary, was home over the weekend, and Lt./Cpl. M. Campbell of Red Deer, is home on spring leave for 6 weeks.

Sgt. E. Lawrie left for Calgary on Tuesday to enter the Belcher hospital for further medical treatment.

Mr. and Mrs. Bob Hutchinson, who have been visiting the latter's parents, Mr. and Mrs. F. Byrt, leave Sunday to make their home in Three Hills.

About the "Busy Bees".

The Busy Bees met at the home of Mrs. V. Eugine on April 19, with eight members present and one visitor, Mrs. Lee. The afternoon was spent in cutting quilt blocks and sewing.

Lunch was served by our hostesses, which brought a pleasant afternoon to a close.

The next meeting will be at Mrs. Jalo-ke's on May 10th.

Dear Sir:

I enclose application form agreeing to purchase ^(par value) of 3% ^{Serials} Victory Loan Bonds to which is attached cheque for an initial payment of \$
 I promise to pay you the balance of the purchase price plus accrued interest at 3% per annum within six months from the date of this letter.

Yours very truly,

 (PURCHASER)

 (ADDRESS)

NO PAYMENT SHOULD BE AT LEAST 10% OF PAR VALUE

FILL OUT THE LETTER AND GIVE IT TO THE VICTORY LOAN SALESMAN—IT IS AN ORDER ON YOUR BANK TO BUY BONDS FOR YOU

YOU HAVE SIX MONTHS TO PAY THE BANK FOR THE BONDS—THE INTEREST THE BONDS EARN, PAYS THE BANK INTEREST ON THE LOAN

You can buy Victory Bonds with cash which you have saved . . . and you can buy more bonds with money as you get it, on convenient deferred payments.

Every Victory Loan salesman has printed copies of the deferred payment letter at the right. (You can also get this form letter at any bank.) All you do is write in the name of your bank and the amount of the bonds you wish to buy and sign it.

You make a first payment of at least 10% of the amount of the bonds you buy and pay the balance when it is convenient for you to do so, within the next six months. Bonds earn 3% for you and this income pays the interest on the loan during this period. Be sure to buy Victory Bonds on this plan as well as for cash.

Canada needs more money to pay her enormous war bill. Let your country have the use of all the money you can save.

Winnipeg, sounding the alarm note
that a better informed electorate is
the foundation of better government
recruited from affiliates of all parties
and citizens who have never had
party affiliations. Bracken Clubs are
thus staging a friendly invasion of
Alberta.

From the beginning it was deter-
mined that Bracken Clubs would be
open to any good citizen, regardless
of party, creed, race or sex; that
they should foster better information
about important national problems
and bring intelligent action by the
people to the furtherance of better
government in Canada.
